"Come, dear old comrade, you and I
Will steal an hour from days gone by—
The shining days when life was new,
And all was bright as morning dew."

Dedication

We dedicate the 1956 Gorilla to Mr. Brecht. Few people realize or will ever know of the struggle to produce this annual. But yet in our darkest hour we were not forgotten.

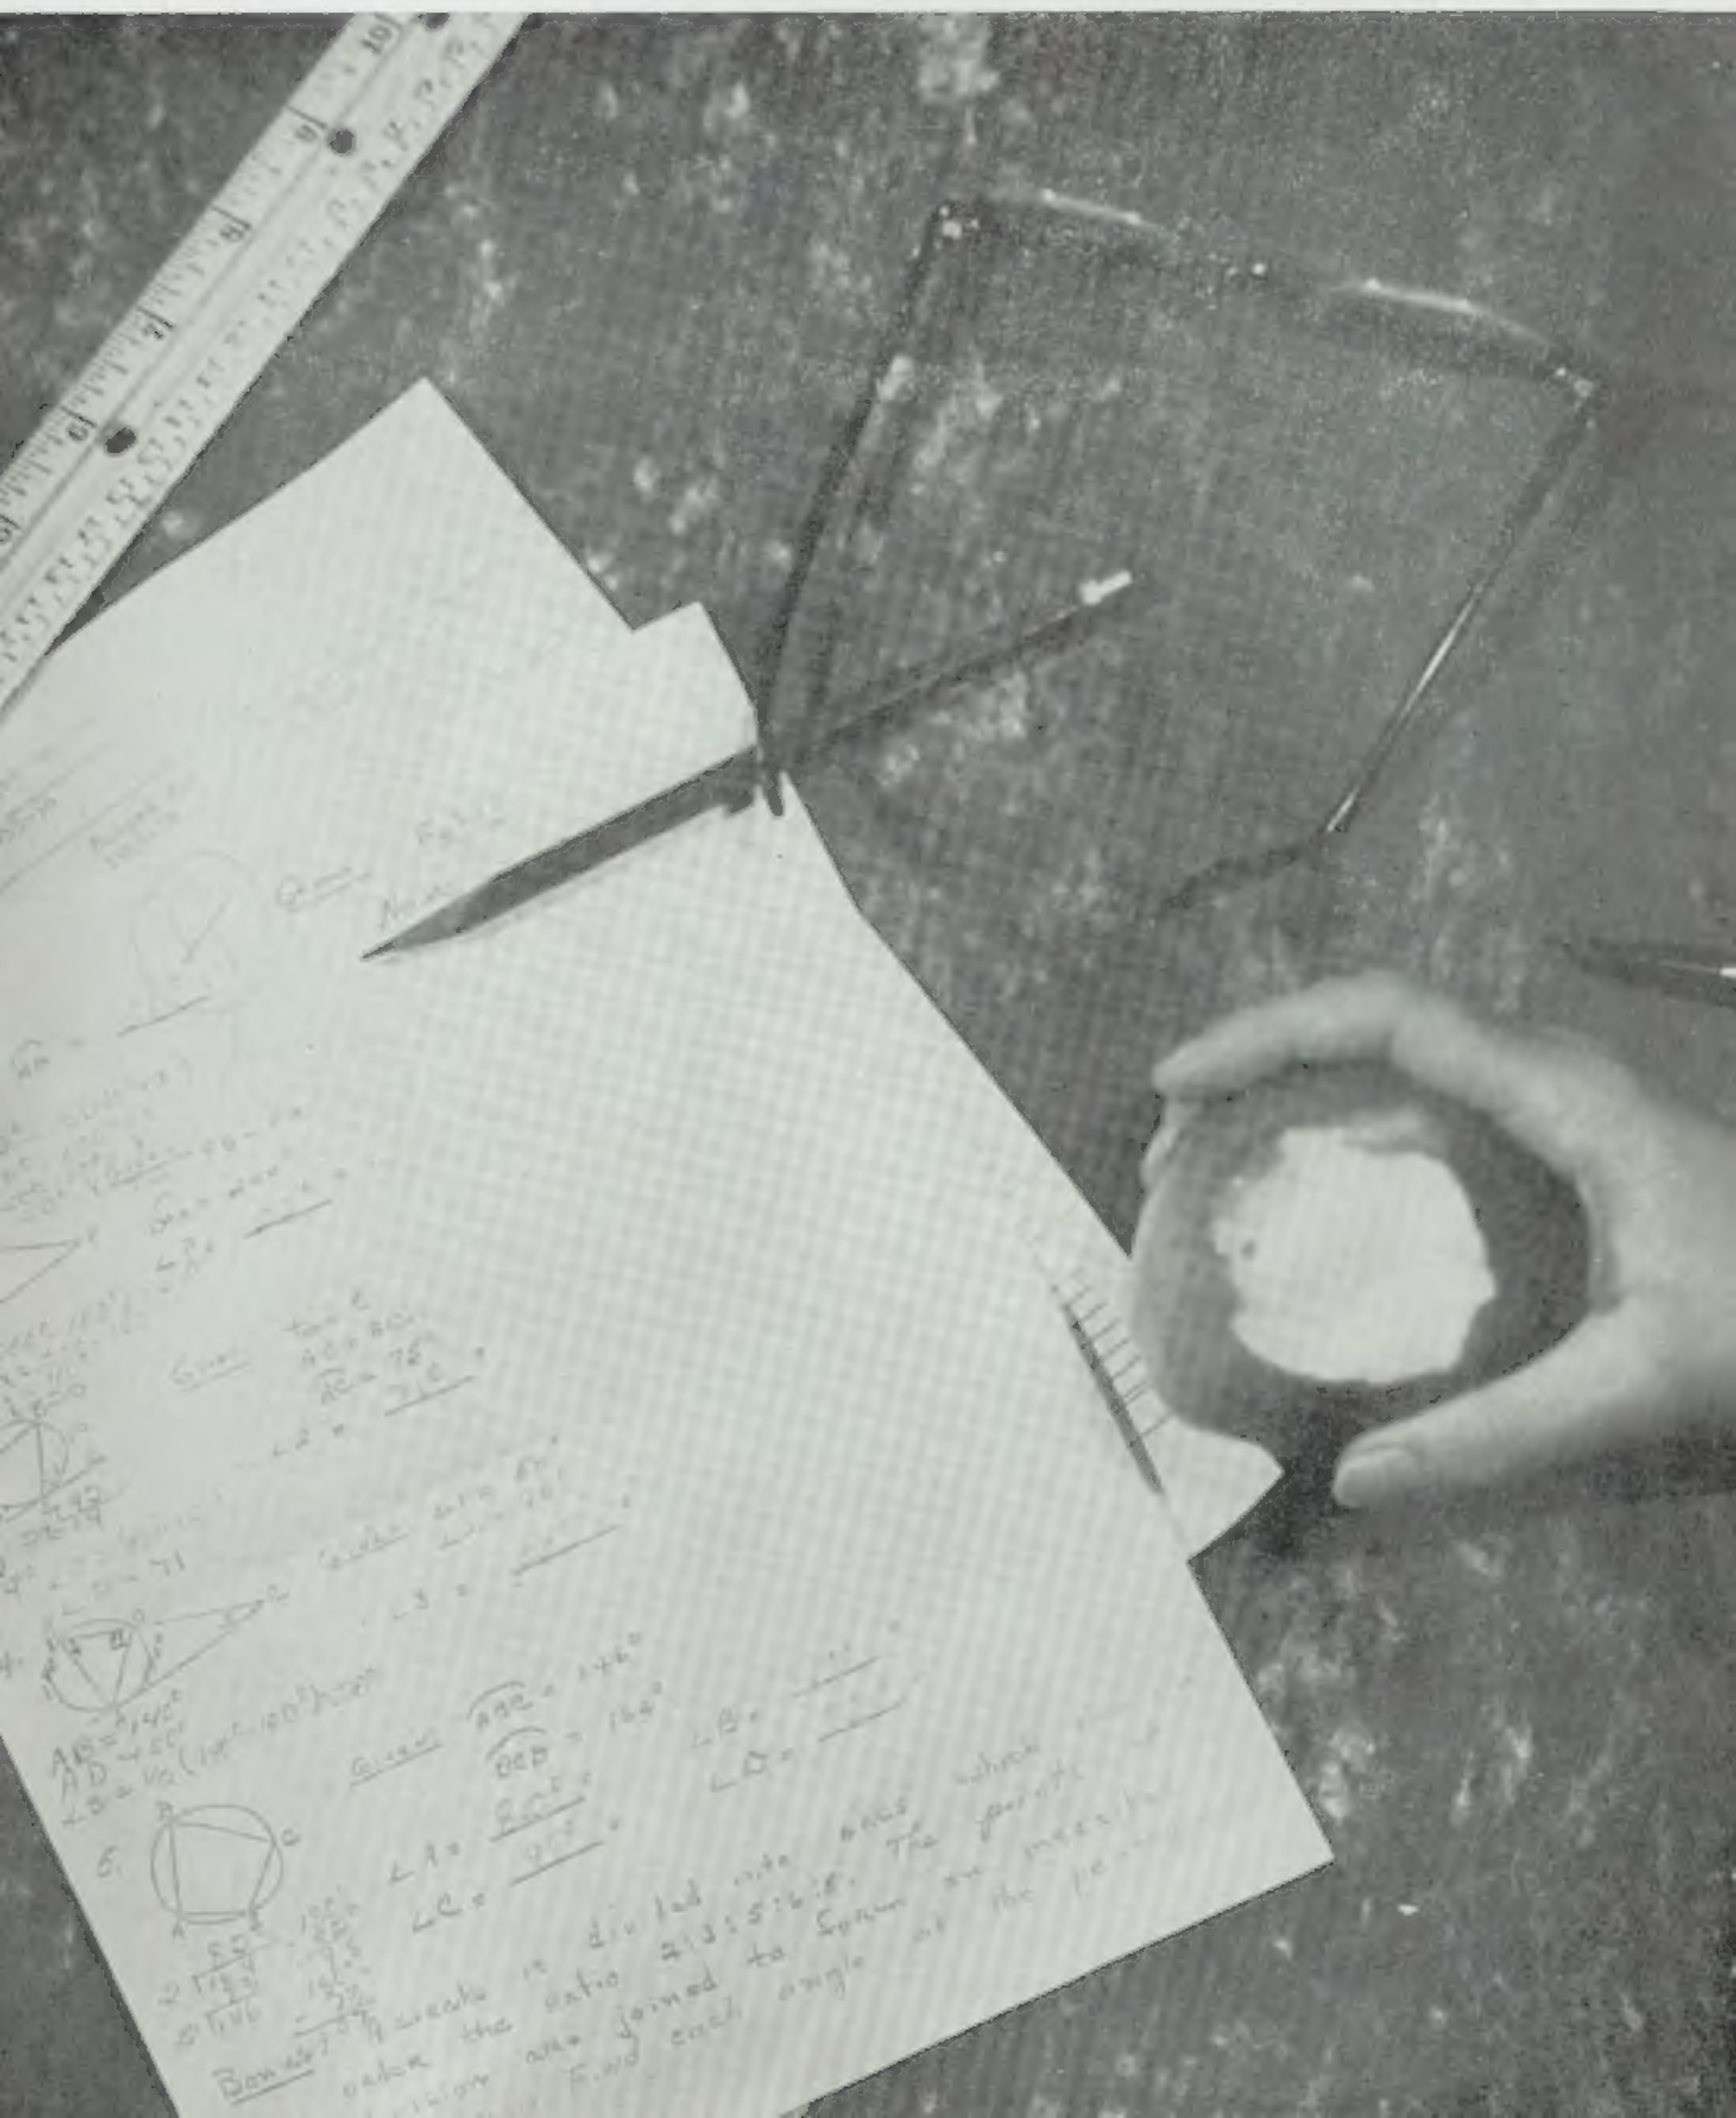

Mr. Brecht came to our assistance and made possible the production of the most elaborate Gorilla ever produced.

The 1956 Gorilla will remain indebted to him forever.

The Gorilla, hallow possession of students of former years, has once again captured the essence of GHS. This yearbook serves as a faithful recorder of life here at GHS and will be thumbed through and recalled whenever an alumnus remembers his youth and those happy days spent here at GHS.

Hours of pleasure, planning, working, and anxiety have gone into this, your Gorilla for 1956.

It has been an honor to serve and work with Al Nelson and Mrs. Nichols—the annual staff was wonderful, as was the cooperation of the student body . . . It's been a privilege to edit your yearbook.

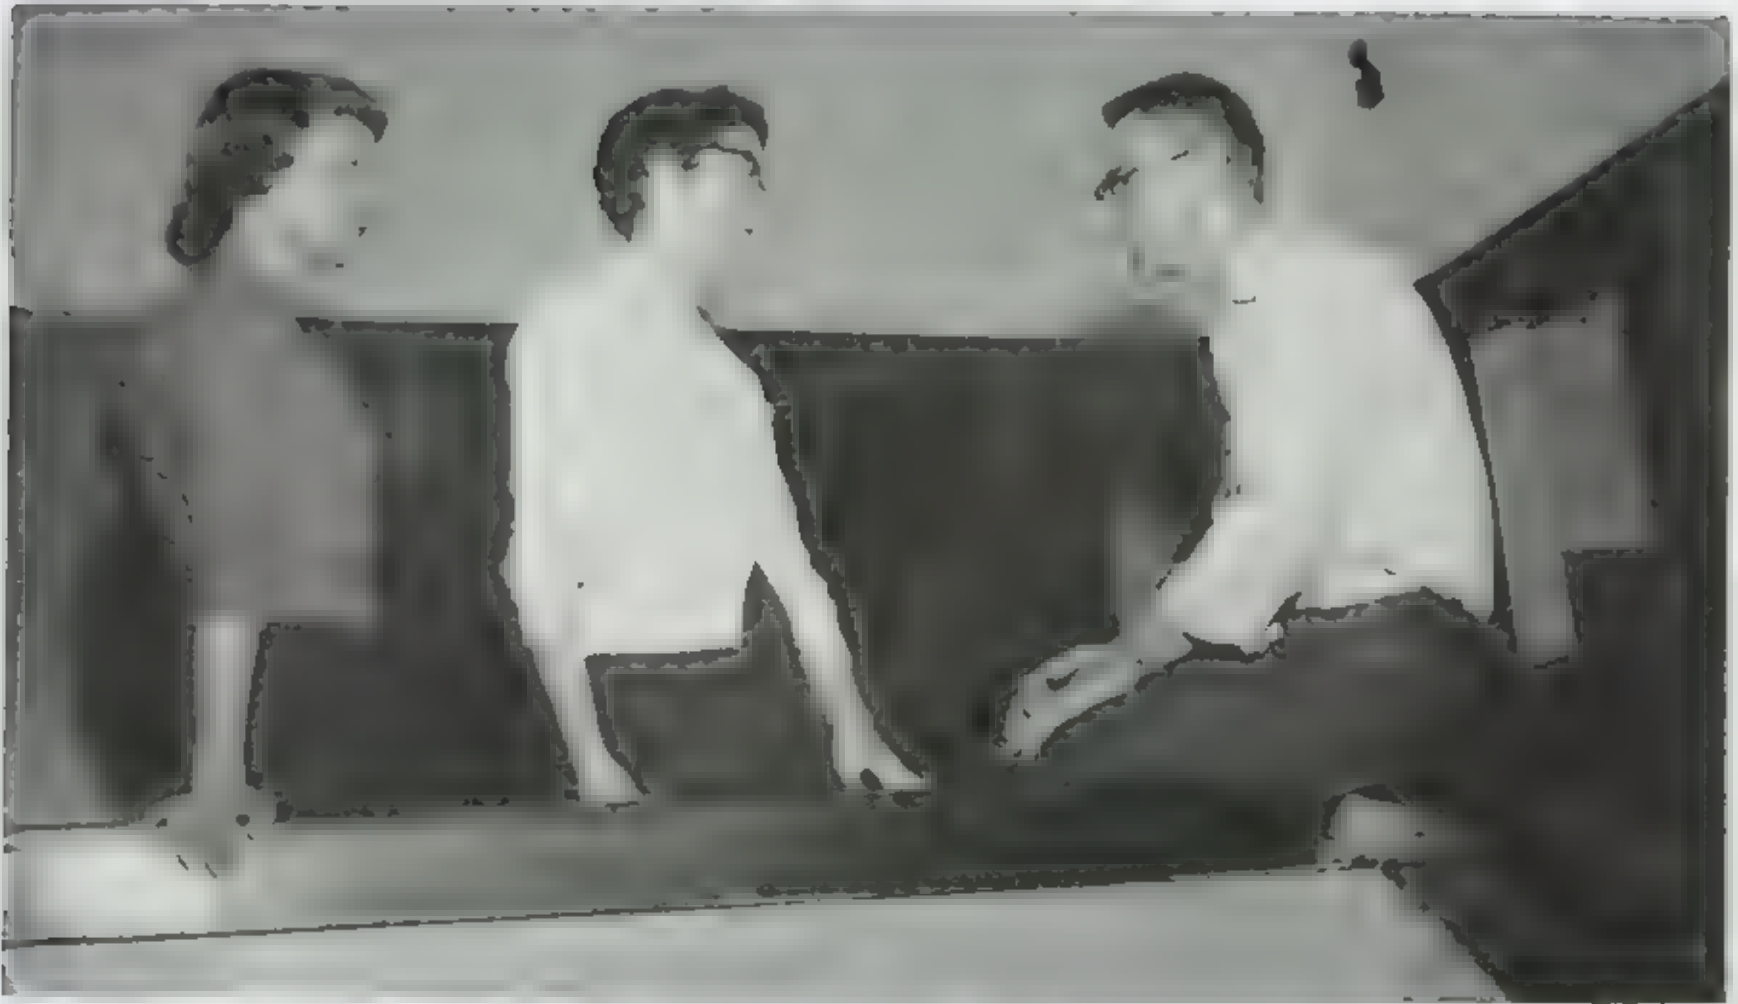

Don Stukel, Editor.

We present the 1956 Gorilla—a representation of your life at Gregory High School in the past year. We have tried to evaluate the most important happenings, which are accumulations of little things—little things which are the essence of traditions. We present the 1956 Gorilla to you—to you, the Freshmen who will be entering into a larger scope of Gorilla life and activities and a world of your own; to you, the Sophomores, who are midway through this temple of high-school education and are first realizing your abilities, ambitions, obligations, and handicaps; to you, the Juniors, who are too much involved in activities, formulas, future plans and adjustments to quit now; and last, yet first, to you, the graduating Seniors, who have given and received much from four years at GHS; to all who hold with them a small amount of the richness of spirit and tradition of this, our GHS.

Class Prophecy

As I sit here in my battered desk in the study hall of Gregory High School thinking of the times, both good and bad, I hear the third period bell ring. As Donna Dobesh and Midge Tlustos pass through the door they are followed by a large group of students, all with happy looks on their faces—except those who have just received a low grade. I watch them and I wonder what the Senior Class of 1956 will be doing and where they will be 10 years from now.

It is now the next day and the bell has rung again. I suddenly realize that yesterday I was thinking so hard about the Seniors that I fell asleep and had a dream of the future which included all of my classmates. Ten years from now I should like to have you examine your annual and see whether my dream was realized. This is my dream of you, Seniors of 1956.

Donna Dobesh is a career girl now. She is secretary for the president of the Butler Manufacturing Company in Kansas City, Mo.

Midge Tlustos has completed her nurses' training and is now practicing in the Sioux Valley Hospital in Sioux Falls.

Dale Christensen, Orlin Leslie and Junior Shoemaker all work for the United States Government. Junior is a tree surgeon in Colorado. Orlin is a patrolman forest ranger in Montana and Dale is a park commissioner in Yellowstone National Park.

Joyce Sattler is his head nurse. They are now married.

Pat Jones is married and carrying out a housewife's duties on a farm southwest of Dallas.

Carolyn Kimball and Norma Vedral own and operate a hospital for crippled children in Argentina.

Naomi Odenbach, Martha Wetzler, Janyce Wendell and Myrna Knittel are all married to farmers. Naomi lives at Lusk, Wyo.; Martha lives at Amarillo, Tex.; Janyce lives at Salem, Oreg.; and Myrna lives near Burke, S. D.

Herman Laprath is a South Dakota State Senator and is now campaigning for the position of United States Senator.

Jeanette Nemer is instructor in the Home Economics Department of Iowa State College.

Carol Haines is living in Los Angeles, Calif. She is private secretary to the president of Warner Brothers.

Vance Fevereisen is an announcer and emcee on a new TV quiz program at KVTU in Sioux City.

Bob Gaddis is operating a crane for a large construction company in India.

Bob Lopour is working to get a railroad through Paxton and Carlock. He thinks it is a very good project.

The Sophomore Class has been very busy this year. They ranked second in the March of Dimes fund raising campaign, second in the magazine sales race, and near the top in the King and Queen Carnival contest. They also sponsored a dance for the benefit and enjoyment of the whole high school.

Curriculum

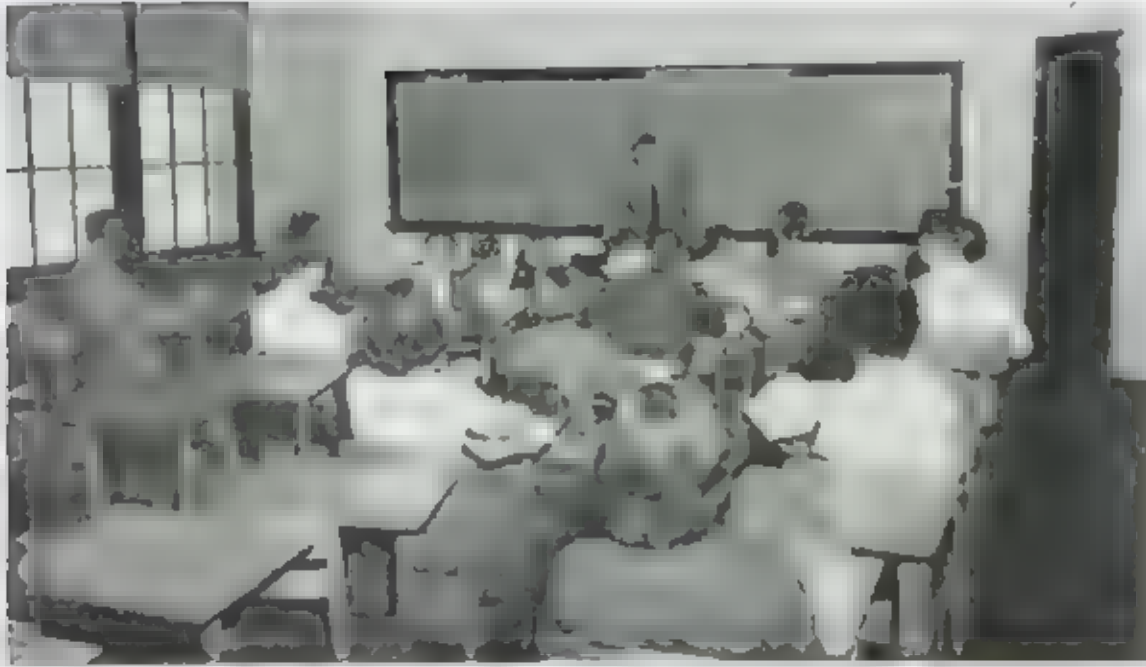

Mrs. Nichols looks on as Harold Haines does his trig. She teaches Elaine Ritter and the boys all about sines, cosines, tangents, right triangles and all of the other angles.

Mr. Nichols is energetically teaching his class the whys and wherefores of the correct ways of speech and English as they act out the play *Treasure Island*. Bob Peabody and Jack Studenburg are the actors.

This class, under the direction of Mr. Lindstrom, is being taught the principles of elements pertaining to General Science. They learn about the birds and the bees and the flowers and the trees.

Curriculum

The freshmen are shown here studying their algebra, which is taught by Mr. Crockett. They are laying a foundation for their future mathematics, which they consider very essential.

Members of English IV class under the direction of Mrs. Boner are learning to distinguish an adverbial clause from a noun clause and are also preparing to read Shakespeare's work.

The chemistry students are studying in preparation for the experiments that they will work out tomorrow in the laboratory. Mr. Gibbons teaches them the difference between H_2O and $PB (C_2H_3O_2)_2$.

Curriculum

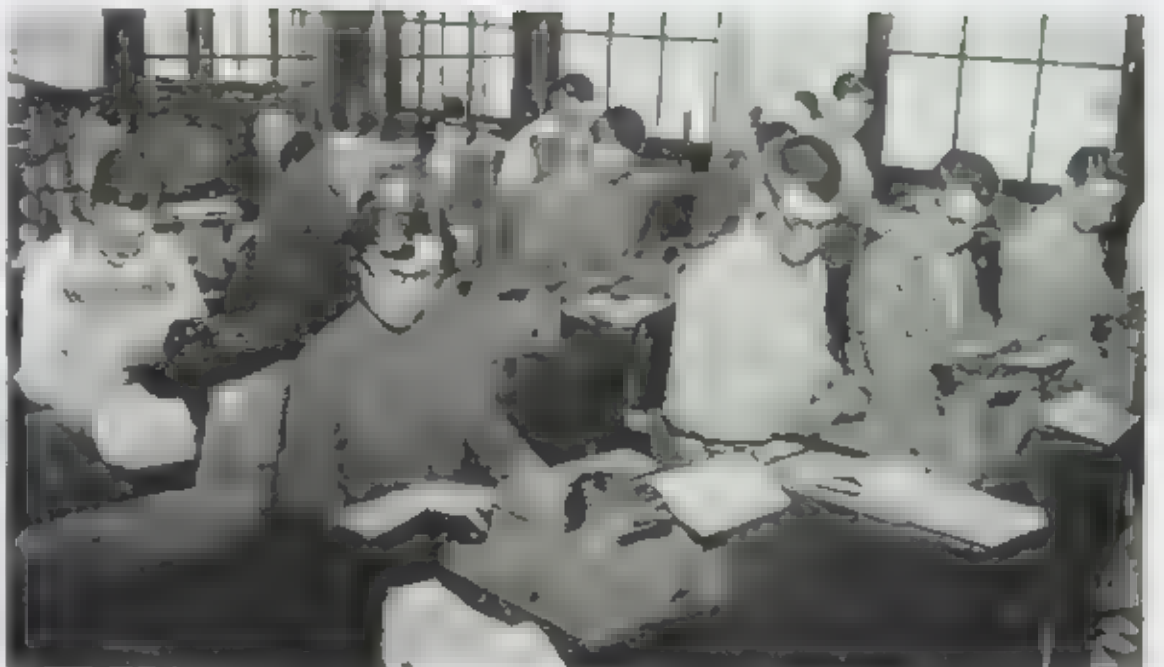

The shop is a place where the "learn-by-doing method" is put to practice. The activities consist of various projects that incorporate care and handling of tools, shop safety, carpentry, welding and mechanics. Mr. Utoft is the instructor.

Mrs. Lindstrom is convincing Home-making II girls that "a stitch in time saves nine." The Home Ec room is a busy place of working fingers, mistakes and achievement, pride and sorrow. The feeling of pride over a well-finished garment and the knowledge of something well done is the award.

Mrs. Goodin conducts her class in an orderly manner. Their motto: "If at first you don't succeed, peck away, you little paper snatchers, more typing paper is all you need."

Our Cooks

From left to right Mrs. Smiley, Mrs. Pyle, and Mrs. Senant are shown stacking away cans of food. They have provided a hot-lunch program for the students the past year.

Our Janitors

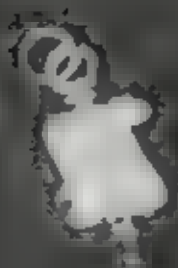

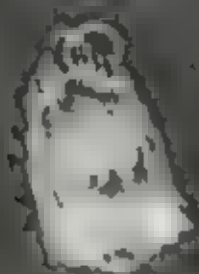

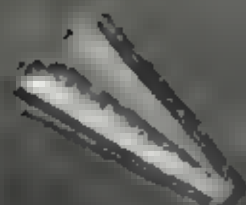

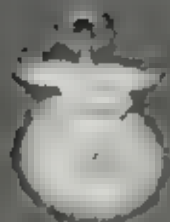

Ava Winton in the past year has worked hard keeping the room clean and has also controlled the heat for both buildings.

Roscoe Burke in the past year has done the same for the high school. He works at the school every day sweeping the rooms.

FHA Girls Caroling

This Chapter of the Future Homemakers of America is one of the largest in the state being composed of seventy members who have had at least one year of Homemaking. This year they have had regular monthly meetings, sent five delegates to the State Convention at Huron, entertained the District VII Chapters (Armour, Wagner, and Platte) at a District Rally and held a public dress revue.

An FHA project is improving community life. One of the ways the Gregory Chapter carried out this project was by Christmas Caroling at the homes of the sick and elderly people.

There are four grades or degrees of active membership: "Green Hand"; "Chapter Farmer"; "State Farmer" and "American Farmer."

In our local chapter this year 21 Green Hands were taken in, 13 Green Hands raised to Chapter Farmer, and 3 members made the State Farmer Degree. They were Don Stukel, Herman Laprath, and Allan Nelson.

Among the activities of our local chapter are attendance of several judging schools, selling seed corn, sponsoring a crop show, playing FFA basketball plus several other small activities.

This picture shows an example of one of the many projects carried on by the members of our chapter.

Sports

Rosebud Conference Champions

The roaring Gregory Gorillas started out a successful season of football when they left August 29 for the annual football camp at Camp Bob Marshall near Custer.

Through a week's practice and training the 40 boys began to show up well. The Gorillas proved their strength on Friday night September 2, when they invaded Custer with a 14-6 victory. The following Sunday the group returned home.

Practice was resumed Monday, September 4. The first official game came with Heelan High, of Sioux City, Friday night, September 9, under the newly constructed lights on the Gregory field. The Gorillas turned out a good game except for a second quarter when the team got down.

The following Friday the Gorillas journeyed to Miller, where they upset the Miller eleven 34-7 without much trouble. The Gorillas held Miller on the 1-yard line several times throughout the game.

The night of September 23 saw the weather being very warm and an ideal night for football. The Gorillas easily rushed over White River to win the second game of the season 21-0.

The next weekend saw another ideal night for football and the first conference game for Gregory, they were to clash with the Burke Bulldogs at Burke under the lights. The Gorillas batted down Burke's aerial attack with a hard and fast charging line and a hard running backfield. The score was kept close with a 7-0 victory for Gregory, who had now

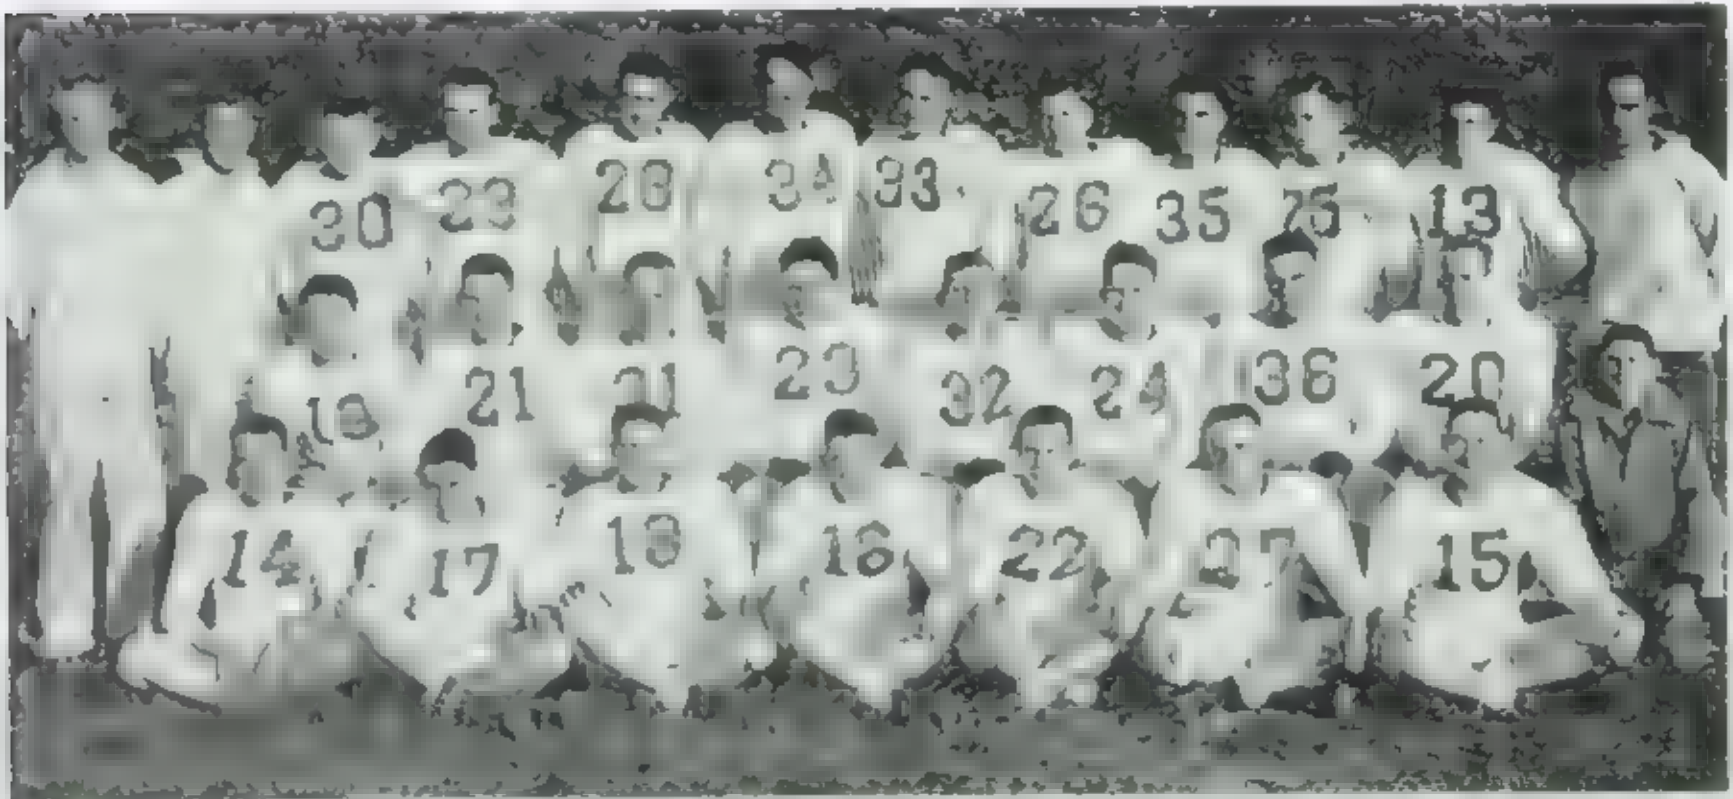

started on their way to a conference championship.

The month of October turned out to be successful for the Gorillas although the weather was turning cooler, they never lost a game. They started out October 7 with Wagner entertaining them, where they easily slipped by with a 39-0 victory over the Red Raiders. The next weekend Gregory was ready for a revenge on the Platte team on the home field. Gregory took an early lead and held a 21-7 lead at the end of the game.

October 21, the Gorillas packed up and headed for Vermillion where they would play the first afternoon game of the season. With a very warm and sunshiny afternoon, Gregory took the lead very easily and let the little Gorillas take command the rest of the game except for the remaining few minutes in the fourth quarter when the first eleven went in to hold the Tanagers down to one touchdown. Gibbons' Galloping Gorillas came out on top with a score of 28-6.

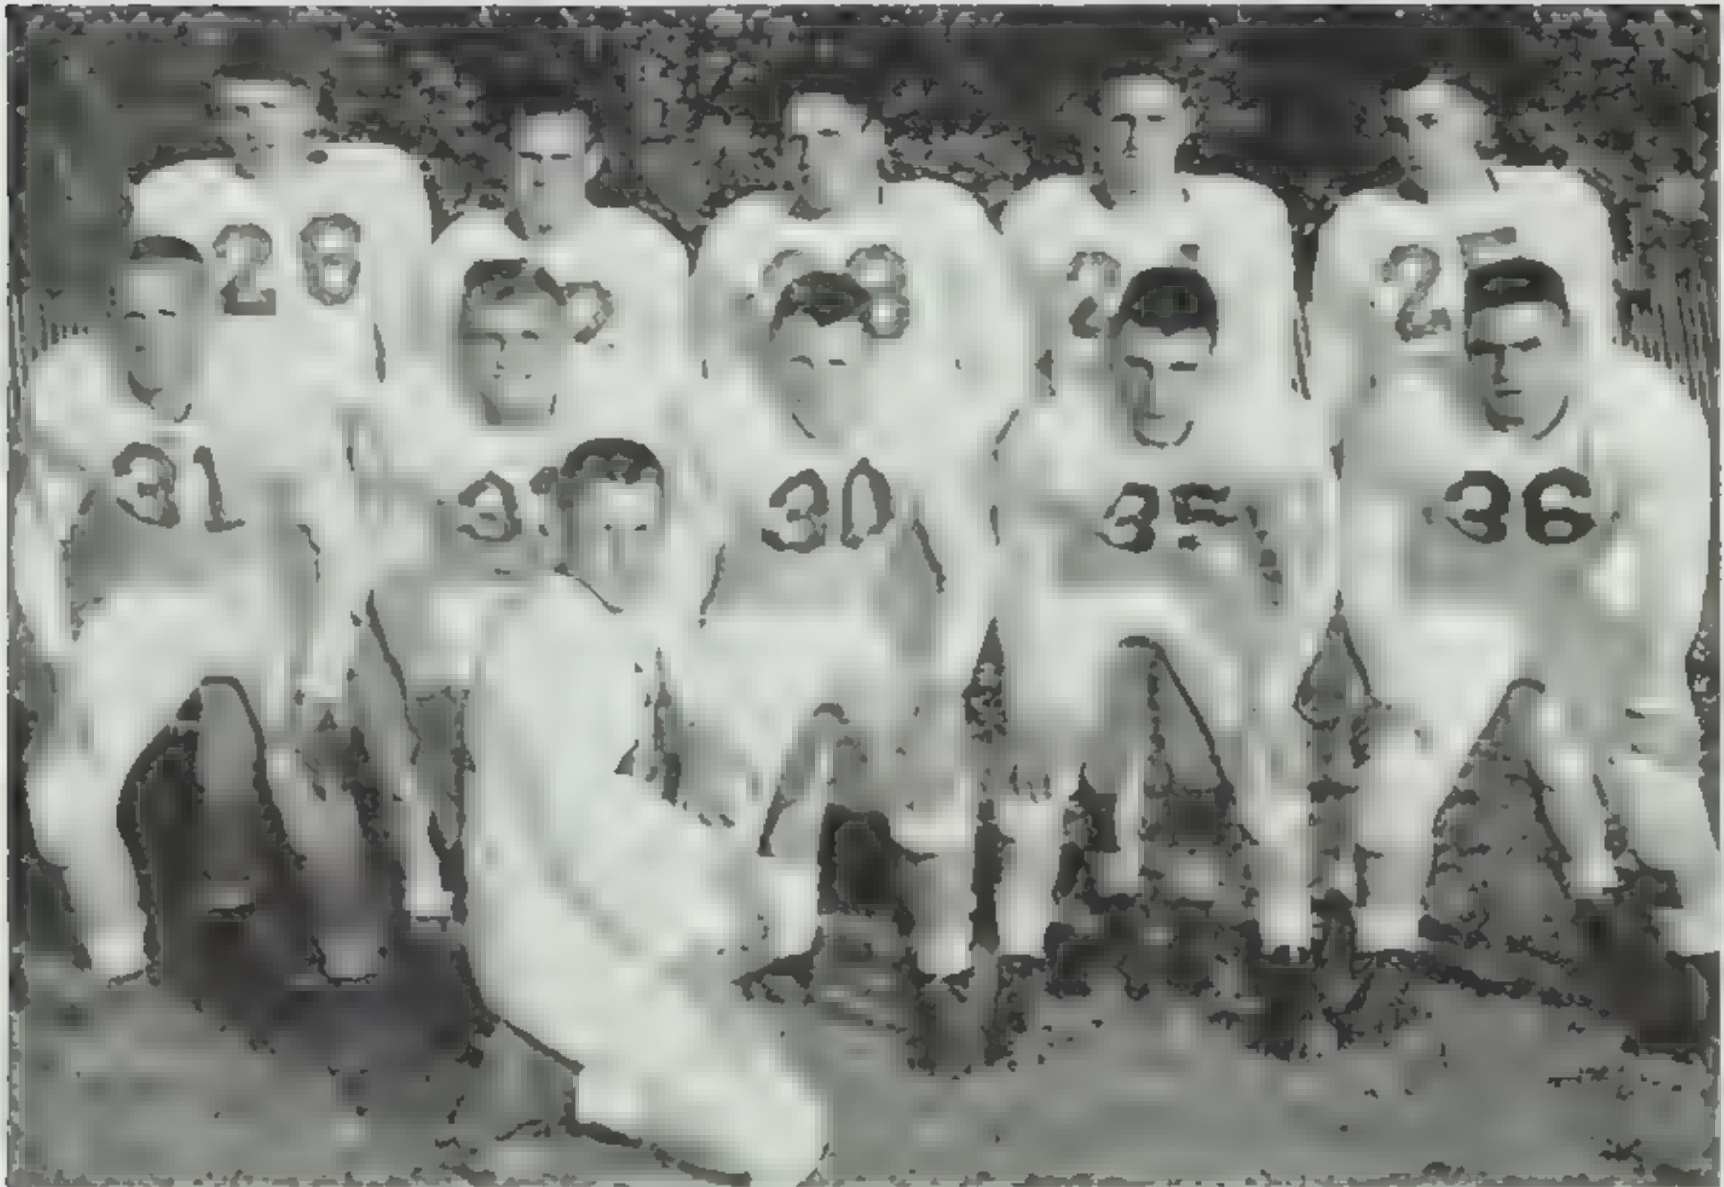

The next Friday the Gorillas stayed home to meet Chamberlain in the second conference game. With a moderately cool evening Gregory easily held the Cubs to a 26-0 victory, to win the second conference game. The only one now remaining was Winner on November 11.

November didn't start out as well as October, although the weather was getting colder. The first Friday in November saw the Gorillas traveling to Wessington Springs. The Gorillas came home a little disappointed when they were upset 25-7. Just about everything the

Gorillas tried, backfired and turned out to be a penalty or a loss of yardage.

The following Friday, November 11, was the last scheduled game of the season. It was the annual, Armistice Day game between two old rivals, Gregory and Winner, on Gregory's field. It was a cold blustery afternoon with Winner picked to win. Both teams had not lost a conference game. Gregory started the game rolling with a 14-0 lead at half-time. The second half showed Winner coming back strong to get a touchdown, but the Gorillas matched that with two more touchdowns and the game came to a halt as the final gun sounded with Gorillas coming out on top with a victorious score of 26-7 and the second straight Rosebud Conference Championship for Coach Gibbons' Gorillas.

Gregory Defeats White River

On the night of September 23, the Gregory Gorillas played host to the White River Tigers. The Gorillas showed up well in their third game of the season. The Gorillas had easy going throughout the whole game and came out on top with a score of 21-0.

The Gregory Gorillas played host to Chamberlain in the second conference game of the season. It was a cool evening with the Gorillas coming out on top with a 26-0 victory. It was the seventh straight win for the Gregory team. They had little trouble with the Cubs, leading all the way.

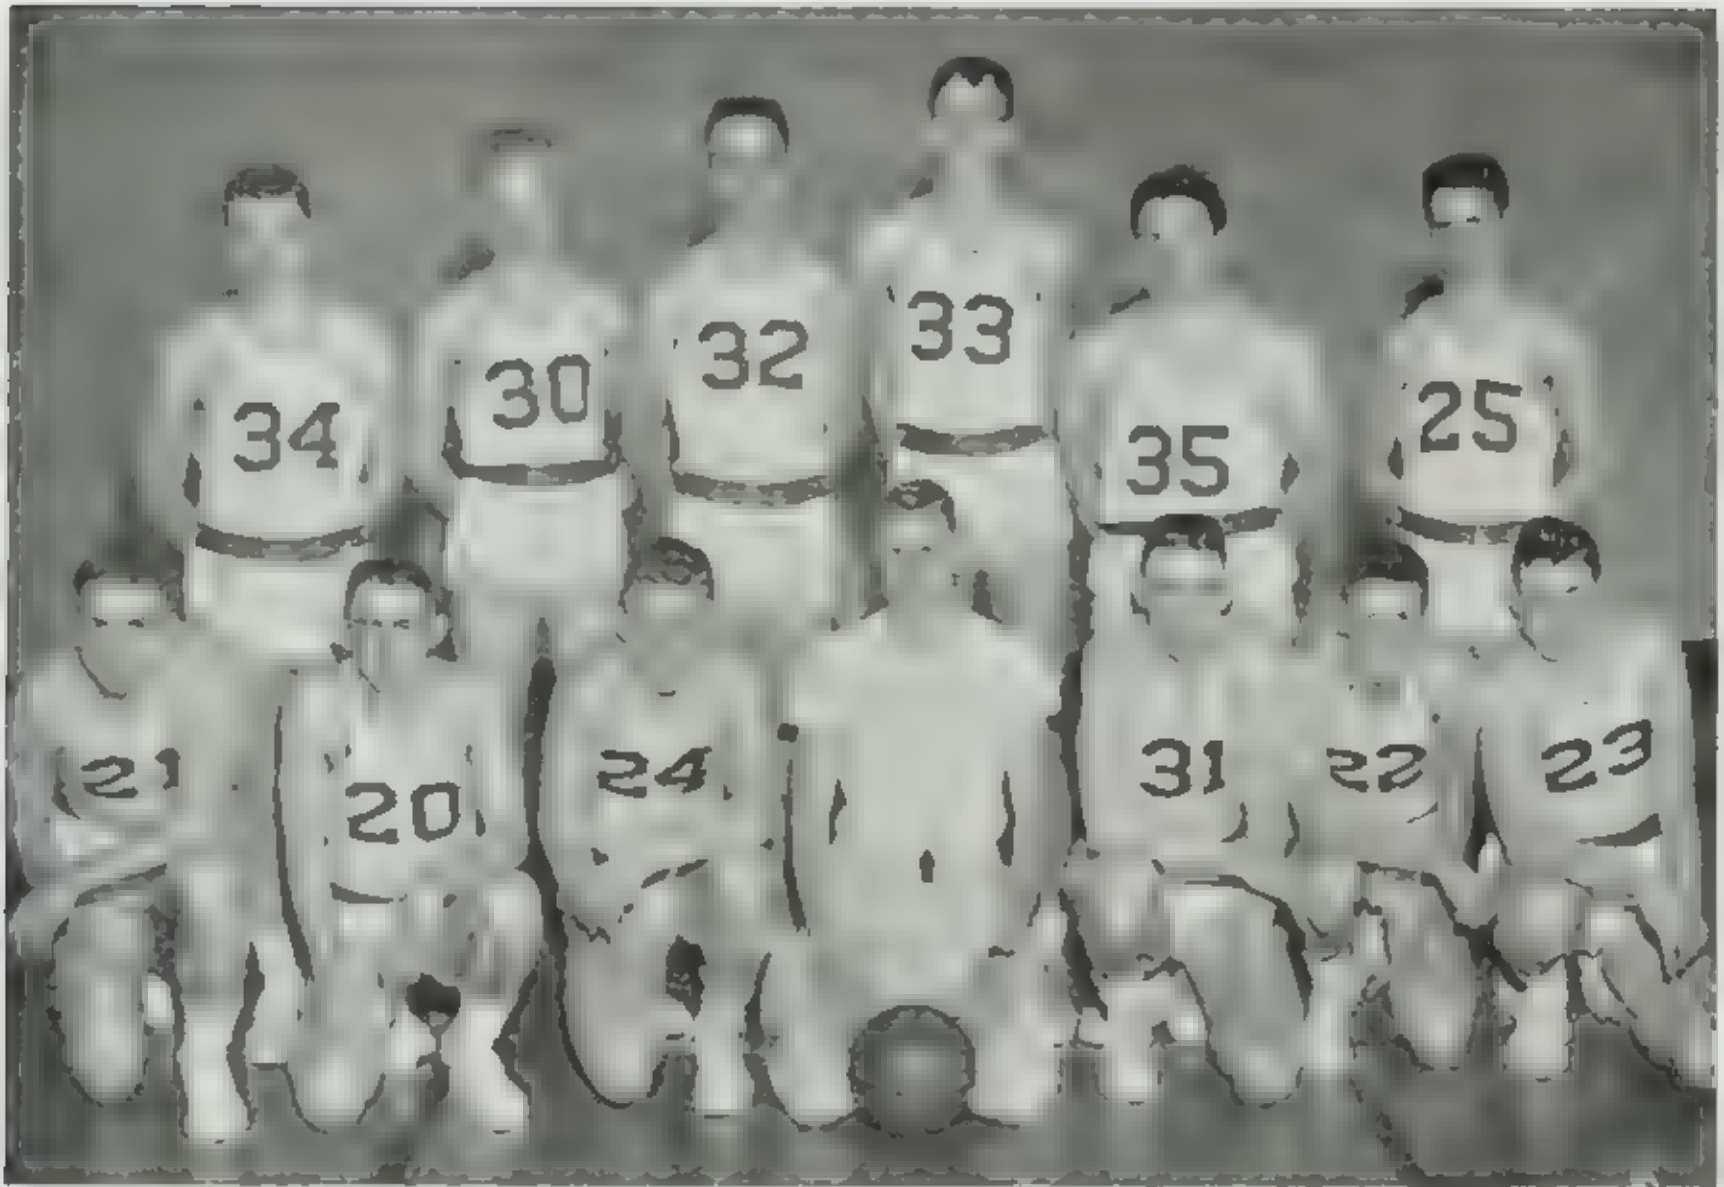

Gregory Wins Conference Championship

The Gorillas entertained the Winner Warriors on the home field in the annual Armistice Day clash. It was a cold day and both teams had not lost a conference game. The Gorillas held a 14-0 lead at the half. They kept their hold and defeated the Warriors 26-7 and won the Conference Championship.

The Gorillas took quite a jump from the "B" to the "A" this year and came out on the short end of things. The Gorillas, although playing a few "A" teams, found out the difference in the brand of basketball. They were more or less a hot and cold team during the entire season. But they had a few highlights during the season. The Gorillas beat Fairfax 44 to 41 after playing a good control game. Fairfax was in the top 10 most of the season in the "B" poll.

Another highlight during the season was when the Gorillas nosed out the Platte Panthers in the final seconds of the game by a score of 53 to 52. The Gorillas played some tough teams during the season such as White River, Chamberlain, Fairfax and Parkston, getting spilled most of the time but then again giving most of them a good game.

The team played a very successful season by defeating all of the teams in the district at least once and they had the best won-lost record of all the teams in the district. The following is the schedule of the games played:

As in any other "town", in GHS there exists a newspaper office. It is located on the main floor of our Gregory high school building. This office is better known to the students as the newsroom, home of the Gorilla Growls. Holding memberships in South Dakota High School Press Association and Quill and Scroll, the student publication is printed and distributed monthly to students and neighboring towns.

This workshop is typical of the office of any metropolitan newspaper. Each staff member is assigned to a definite run of news sources. Coverage is given each department and organization. Personality and occasional features, editorials and humor columns offer a few of the numerous "specialties" found in the paper.

Debate

Early in the season the Gregory debators took part in tournaments at Vermillion, Highmore, Winner and our own tournament at Gregory. Nedra won first in extemporaneous speaking at the Winner tournament. Don won first in extemporaneous speaking at the Highmore and Gregory tournaments. He was also named the outstanding boy speaker of the Highmore tournament. The debators took part in the state NFL tournament at Mitchell where they won five out of eight debates. Don and Nedra both got into the semi-finals in extemporaneous speaking at Mitchell. The next next tournament the debators took part in was the Midwest Debate Tournament at Sioux Falls where they won 5 out of 9 debates. Don placed third in the extemporaneous speaking contest.

Early in March

Don Stukel and Mr. Nichols talk over the strategy they are going to use in the state debate tournament

the debators went to the Divisional Debate tournament where they won 5 out of the 7 first places. This gave the team the right to go to the State Debate tournament. Don won first and Nedra won second in extemporaneous speaking at the Divisional tournament giving them both the right to compete in

the State Extemporaneous Speaking contest. In the State Extemporaneous Speaking contest Don placed fourth and Nedra placed fifth. The debators placed sixth in the State tournament where they won 2 out of 4 debates.

One Act Plays

"The Valiant"

This winning one-act play was highly praised by the local public. The play won in local competition and received a superior rating at Vermillion. The play dealt with the coming execution of a young man who killed a man because he thought it was necessary. He shows his bravery and generosity when a girl comes looking for her brother whom she thinks is he. Although he is her brother he talks her into believing her brother died as a wartime hero, thus sparing his sister's and mother's feelings.

Vance Feyer-son as Josephine talks with his sister Jackie O'Neil as Josephine

The one-act humorous skit, "Common Clay", was given, but was not in competition.

Another one-act play, "The Cup of Strength", was cancelled.

"Finger Of God"

This highly successful play was given in competition with the play, "The Valiant". Its plot deals with the pressures and troubles of a wealthy and slightly illegal tycoon. His only honest mistake in life was when he hired a pretty and honest secretary—through her efforts he becomes an honest man.

Don Stukel, as Mr. Strickland, talks with his secretary, Joyce Sattler, as his butler, Don Saathoff, looks on.

Junior Class Play

Willy accuses Pidgie of stealing Mrs. Vanderbilt's pearls

The Junior class of Gregory High School presented a play, "Off The Track," on November 30 and December 1. The play took place at a railroad station in the middle of nowhere. A large passenger train had been derailed. People of various vocations were passengers. One passenger was thought to have a bomb in his suitcase. It turned out to be white mice.

"The Night of January 16th" was presented March 6 and 7 by a cast picked from the entire school. It was a court scene which showed the District Attorney trying to convict Karen Andre of the murder of her former employer, Bjorn Falkner, who had been a millionaire until his business crashed.

The verdict was decided by an actual jury which was chosen from the audience to come

forward and sit in on the case. A different jury was selected for all three performances.

Karen's Attorney, Mr. Stevens, succeeded in getting two "not guilty" verdicts while the District Attorney, Mr. Flint received one guilty verdict.

This play was a big success and it received much favorable comment for some time.

Senior Class Play

Tiger House

(By Robert St. Clair)

"Tiger House" has been played professionally all over the country and everywhere it has been a tremendous success. It is with the assured guarantee of the play's background that the Seniors have selected it for their Senior Class Play.

This clever mystery play is laid around an isolated country estate called "Mystery Manor" because of the alleged hauntings.

Erma Lowrie, a young shop girl, has inherited the estate from her eccentric aunt, and according to terms of the will she must occupy the house for a period of two years.

Erma's cousins, Arthur Hale and Oswald Kerins, her living Aunt Sophia

and Peggy Van Ess, a former girl friend, are all house guests when things begin to happen.

Yami, a Hindu who is really the head of an African Tiger Cult, has come to Mystery Manor to recover a jewel necklace of value that Aunt Sylvia had stolen from a tiger when she was in Africa.

MacIntosh, who was really Erma's sweetheart, came to Mystery Manor posing as a detective to protect Erma.

Arthur Hale and Thompson, who posed as circus trainers looking for an escaped tiger, were really back of all the haunting at Mystery Manor.

BAND

The band enjoyed a fairly successful year. Eight o'clock sessions, day in and day out, produced sleepy heads at first but soon all grew used to it. Stiff legs and numb fingers testified to the fact that the band played at several night football games.

The next highlight was the trip to Brookings for the Hobo Day parade. Several favorable comments were received. Band members worked furiously to perfect the "Unfinished Symphony" and "A Night at the Ballet."

They journeyed to Mitchell to give their

performance at the Regional Band Contest where they rated third.

The last big event of the season was the band concert, which was given in April. All agreed that this year was a good year, but next year will be better.

Prom - 1955

This is the setting for the theme, "Evening In Paris."

The Junior - Senior Prom, which was sponsored by the Junior class, was considered the most beautiful and most successful prom that has been put on in Gregory High School for many years.

The meal for the banquet was planned and cooked by the mothers of the Junior class and was served by several members of the sophomore class acting as waitresses and waiters.

"An Evening In Paris"

The Juniors and Seniors with their dates enjoy an evening of dancing following the banquet

All the Mademoiselles and Messieurs of the Junior and Senior classes and the faculty dined and danced under the breath-taking enchantment of an "Evening In Paris."

Potted plants flanked the entrance of the sidewalk cafes where the glow of candle-light over the brightly checkered tablecloths gave a gay Parisian air. Berets and other Parisian attire transformed several sophomores into authentic Parisians, who served several of their French delicacies to the diners in fine French style.

The music of Mademoiselle Betty Van Cleave and Monsieur Jimmy Thomas wove a spell over the happy couples as they danced and romanced beneath the magnificent Eiffel Tower.

The spell was broken all too soon, as 12 o'clock and the fading strains of "The Last Time I Saw Paris," brought the end of a never-to-be forgotten "Evening In Paris."

Carnival King and Queen

Don Saathoff and Ellen Hutchison

The annual High School Carnival was held in the Gregory Memorial Auditorium. It was attended by a larger crowd than ever before.

The King and Queen contest was won by the Senior Class, whose candidates were Don Saathoff and Ellen Hutchison. This was the second year that this class has won the King and Queen contest.

The annual carnival is a very important activity since it netted over \$1,900 for the activity fund which is used to carry on extracurricular activities.

Carnival

Mr. Gibbons is busy carrying on business at the bingo stand

This year a couple of new attractions were added to the carnival. They were the sponge throw and the duck throw. The sponge throw proved to be a popular sport since the sponges were thrown at the teachers.

This scene gives an idea of the volume of business done at the bingo stand

This is a general shot of the immense crowd that was present at the carnival

Mr. London maintains a very efficient library in Gregory High School. Librarians are appointed at the beginning of the school year to assist the students in checking out books, magazines, dictionaries, encyclopedias, and other information.

A Traveling Science Library has been added to the library this year. This library contains a set of twenty-five books that are renewed every month. Several new books and magazines have also been added to the library.

Don Stukel

Valedictorian

"Scholar's pens carry farther and give a louder report than thunder."—Sir Robert Browne.

The valedictory honor has come to many students at graduation since the institution of the custom. The many students receiving the award, however, represent an infinitesimal portion of the great mass of educated. With valediction go innumerable hours of, sometimes seemingly needless, work. It would seem a pity, upon consideration, that this is the only honor to be bestowed upon one who has labored so mightily. No student has been more worthy of such a position than Don. We are proud that our school is the one that had the opportunity to give him his start.

Salutatorian

The position of salutarian is one which carries no lesser degree of achievement. It is significant, in this case, of the great rivalry that has existed for four years of unceasing endeavor on the parts of the recipients. The relatively small difference in attainment between Joyce and Don is indicative of the great natural ability and application of the salutarian. Alexander Pope most aptly described this instance when he said, "A gentle scholar is a saint in wisdom's eye." The best wishes of the Gorilla staff for continuing success to both.

Most Representative Seniors

Joe Nelson

It is their kind in all ages to take the buffet
and cushion the shock.
It is their care that the gear engages;
it is their care that the switches lock.
Not as a ladder from earth to heaven,
not as a witness to any creed.
But simple service simply given to their
own kind in a common need.

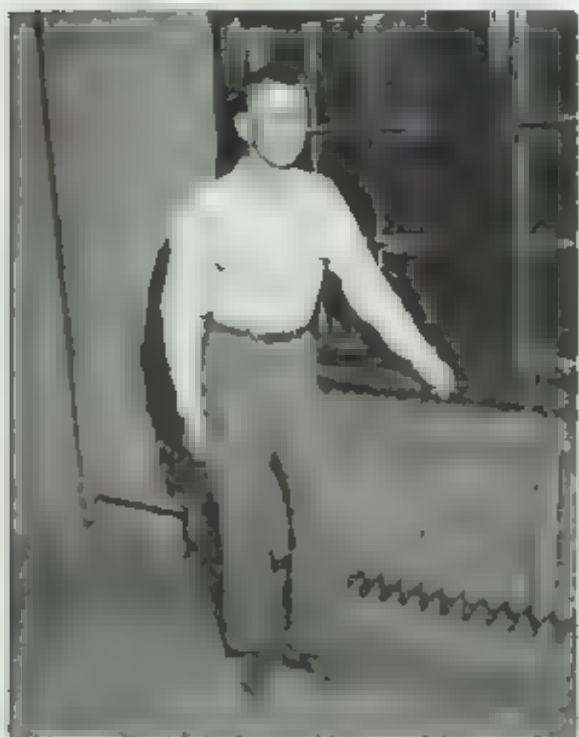

—Kipling.

Dependability personified—Joe, Don, Al—representative seniors. These are the three we would like to have the world think are typical of our group.

Don Stukel

Joe: Sportsmanship, cooperation, leadership with a purpose, solid fundamentalist, patience, democratic principle, grace. His words, "I will."

Al Nelson

Don: Dignity, aggressiveness, impatience with mediocrity, precocity, unrelenting drive, elocutionist, scholar, the progressive spirit. His word, "Impossible?"

Al: Integrity, seriousness of purpose, scientist, continued quest for knowledge, agrarian, sincerity, the champion of the common man. His word, "Why?"

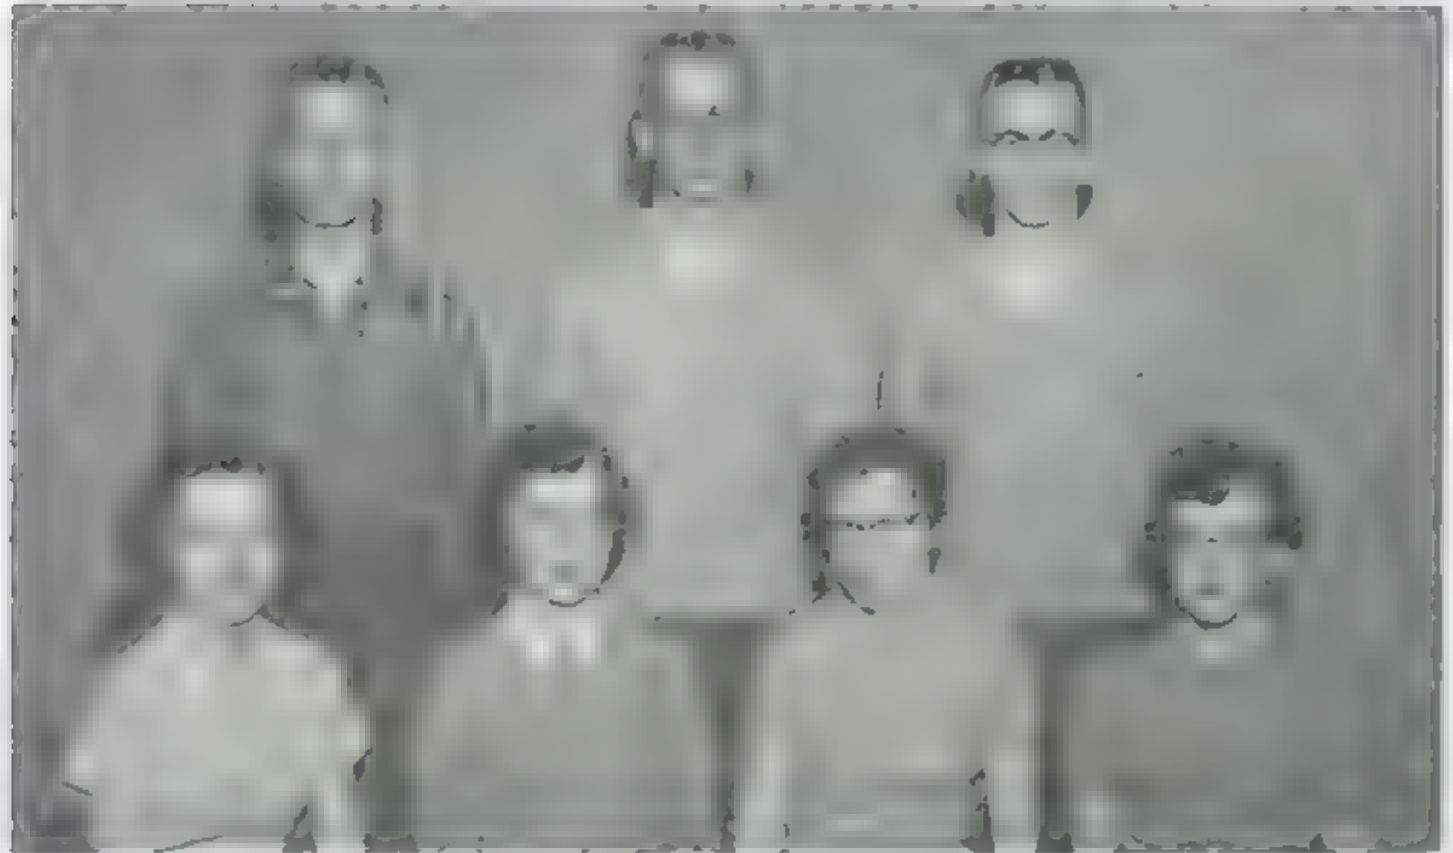

Joyce Sattler

DAR

Joyce was elected by the high school faculty to represent Gregory High School as the 1956 DAR Candidate. This is a citizenship award sponsored by the Daughters of the American Revolution as a basis for scholarships. Each year a senior girl is elected for county participation.

National Honor Society

Left to right, standing: Allan Nelson, Don Stukel, Joe Sejvar. Sitting: Carol Haines, Donna Dobesh, Shirley Schweigert and Joyce Sattler.

The National Honor Society of Gregory High School recently received its charter. The pictured people are the charter members of the organization. It is a national society for the recognition of scholarship. Membership is limited to the upper 15

percent of the senior class in scholastic order. The officers are as follows: Allan Nelson, president; Donna Dobesh, vice president, and Joe Sejvar, secretary treasurer.

Jackie O'Neill

Girls' State

The Girls' Staters were chosen by the Legion Auxiliary on the basis of citizenship, scholarship, and leadership. Girls' State is held on the Campus of Dakota Wesleyan University in Mitchell during the first week of June.

A deeper knowledge of city, county and state government as well as a number of unforgettable happenings and many good friends are gained from Girls' State.

Jim Barrett

Ray Giske

Boys' State

The Boys' Staters were chosen by the faculty with the approval of the American Legion. They were chosen on the basis of citizenship, scholarship, and leadership. Boys' State is held on the Campus of Northern State Teachers' College in Aberdeen during the first week of June.

The aim of the program at Boys' State is to learn about government and enjoy the learning about it. As one Boy Stater puts it, "there is a greater and deeper experience gained than just making friends and having fun." At Boys' State we experienced government—we are actually the governing bodies, and the citizens, in a functioning, operating system of government."
